TRADITIONAL CLARINET REEDS

Vandoren Traditional Reeds are the most widely played reeds in the professional world.

These reeds offer an excellent response in all registers, even allowing a pianissimo attack of the highest notes with enhanced flexibility to aid the execution of long legato or staccato passages & their versatility makes them suitable for all styles of music.

Thickness at the tip: 0.09mm, Thickness at the heel: 2.8mm

V.12 CLARINET REEDS

Vandoren V.12 reeds are manufactured from rare cane tubes that have the same diameter as those used for saxophones reeds.

For an example of the difference this makes, the comparison of a V.12 strength 3 reed is approximately equal to a Traditional strength 2.5 reed.

Thickness at the tip: .10mm, Thickness at the heel: 3.15mm

PRODUCT CODE	DESCRIPTION	STRENGTH	SINGLE PRICE	QUANTITY PER BOX	PRICE PER BOX
93V12	V.12 Bb Clarinet	2.5, 3, 3.5	£2.20	10	£19.50

TRADITIONAL SAXOPHONE REEDS

Vandoren Traditional Reeds feature a very thin tip, balanced by a solid vertebral column of additional cane to produce a pure, high quality tone.

JAVA SAXOPHONE REEDS

Developed by Vandoren in 1983 for Jazz & commercial music, the Java reed is thicker than the Traditional reed.

Designed with a greater surface area of vibration for elasticity, the Java reed enhances a player's audio flexibility.

The 'JA' stands for Jazz, & the 'VA' stands for variety.
